nah599

Please select one of the following:

(a) ☒ I am requesting an individual CABLE licence

(b) ☐ I am requesting a User account under my Organisation's CABLE licence

If you have selected (b), please state which Organisation:

☐ Student

☒ Employee

☐ Other (please state)

If you are a student, please provide supervisor contact information (these would not appear in the list of users page). Your supervisor's signature is also required to indicate that they approve your registration.

Name of supervisor:

Position in organisation:

Address:

Email:

Telephone number:

Date:

From where or whom did you hear about the CABLE model?

CSIRO employee

Please provide a short description of your intended use of CABLE and anticipated intended research results (including proposed publication time frames, if any).

I intend to use the ACCESS model of which cable is a part.

I have read and will comply with the Software Licence Agreement and the Guidelines for users and developers of CABLE:

Signed:

N. Hannal

Date:
