Name of supervisor: **Andy Pitman**

Position in organisation:

Address:

Email:

Telephone number:

Supervisor's signature:

Date:

From where or whom did you hear about the CABLE model?

Colleagues

Please provide a short description of your intended use of CABLE and anticipated intended research results (including proposed publication time frames, if any).

I will be contributing to CABLE development by testing the model against hydrological observations under drought conditions.

I have read and will comply with the [Software Licence Agreement](#) and the Guidelines for users and developers of CABLE:

Signed: **Anna Ukkola**

Date: **4 March 2015**
