From whe	re or whom did you hear about the CABLE model?
Via supe	rvisor
-	ovide a short description of your intended use of CABLE and anticipated intended results (including proposed publication time frames, if any).

My PhD focusses on identifying problems in the current crop of land surface models, and potentially trying to fix any resolvable problems that I identify. CABLE would be the case-study model whenever I need to focus on an individual model.

I have read and will comply with the <u>Software Licence Agreement</u> and the Guidelines for users and developers of CABLE:
